C. Research Support (since 1990)

Completed Research Support

VVAF 90-25 Figley (PI) 1/15/90 – 1/14/92

Vietnam Veterans Aid Foundation (Los Angeles)

Gulf War Family Support Project

The goal of this study was to conduct a needs assessment among the family and friends of those held hostage or serving in the military in the Kuwait region of the middle east and begin to offer crisis intervention.

Role: PI

AOCA 1991-07 Figley (PI) 4/1/91 - 5/1/92

Agent Orange Class Assistance Program (Washington, DC)

Vietnam Veteran Children's Project, Phase I

The goal of this project was to survey the research literature on best practices for assessing and treating the children of war veterans and begin to field test the most promising approaches.

Role: PI

AOCA 1992-07 Figley (PI) 5/1/92 - 7/1/93

Agent Orange Class Assistance Program (Washington, DC)

Vietnam Veteran Children's Project, Phase II

The goal of this project was to conduct phase I clinical trials of three treatments of childhood stress and traumatic stress.

Role: PI

AOCA 1993-07 Figley (PI) 7/1/93 - 6/30/94

Agent Orange Class Assistance Program

Vietnam Veteran Families' Project

The goal of this project was to develop best practices guidelines and pre-test the procedures for treating traumatized families with and without young children.

Role: PI

AOCA 1994-07 Figley (PI) 7/1/94 - 6/30/95

Agent Orange Class Assistance Program

Traumatic Stress Treatments Development Study, Phase I: Clinical Demonstration Project

The goal of this project was to investigate four neoteric anxiety disorder treatment approaches that appear to be successful in helping traumatized individual desensitize from their PTSD symptoms. This included a symposium at the University in May, 1995.

Role: PI

AOCA 1995-07 Figley (PI) 7/1/95 - 6/30/96

Agent Orange Class Assistance Program

Traumatic Stress Treatments Development Study, Phase II: Development and Implementation of the Green Cross for Oklahoma City

The goal of this project was to apply the lessons learned about the traumatized, community crisis intervention, and organizational support in the wake of a domestic terrorist attack to responding to the mental health needs of Oklahoma City in the wake of the Federal Building bombing on April 19, 1995. This resulted in the establishment of the Green Cross and Registered Traumatologist Training Program and Certificate.

Role: PI

VVAF 96-11 Figley (PI) 1/15/96 – 7/15/96

Vietnam Veterans Aid Foundation (Los Angeles)

My Heart's in Bosnia Home Page Project of the Green Cross Projects

The goal of this project was to conduct a needs assessment among the family and friends of those who were serving in the military in Bosnia and to provide a web site that served as the primary source of useful information about the immediate and long-term psychosocial consequences of service in the region.

Role: PI

FEMA-CMHS-FDCA 96-01 10/28/96 - 12/14/96

Florida Department of Community Affairs

Florida Green Cross Project for Josephine.

The purpose of this project was to provide crisis intervention to the communities affected by Tropical Storm Josephine.

Role: PI

2001-Pres. – Senior Scientist – New York Academy of Medicine (NYAM), New York, NY.

R01 MH66403 Boscarino (PI)

NIMH

8/1/02 – 7/31/05

Impact of Mental Health Services in NY after WTC Disaster

Assesses community mental health service utilization, access to care, and treatment outcomes in New York City among New York adults after the World Trade Center disaster.

Role: Consultant
